

AltaU

LEARN FROM THE BEST!

Spend **FIVE INTENSE DAYS** learning from the dairy industry's most highly regarded leaders and university experts!

Join a small class of dairy owners and managers from all around the world. With no more than 18 students per class, you get the chance to interact directly with instructors and classmates and take away what matters most to your operation.

AltaU TOPICS

- ▲ Developing Replacement Heifers
- ▲ Cow Comfort, Housing, & Nutrition
- ▲ Dairy Economics & Decision Making
- ▲ Solutions for Hoof Health Management
- ▲ DiSC Style Assessments & Communication
- ▲ Leading Your Team, Now & Into the Future
- ▲ Parlor Efficiency, Udder Health & Milk Quality
- ▲ Genetic Strategies & Herd Inventory Planning
